Office Note on the Subject

Letter No 4152 d 10/11/98 from the Dy of Education

OFFICE NOTE

Correspondence has been going on for some time past regarding the appointment of a qualified man as Hindustani teacher of Agriculture and Hygiene in the Normal School, Mysore - The pay of the appointment is Rs 25 rising to 30 (vide ~~G.O.~~ GI 37)

It was proposed to appoint to the place one Sh k Mustan Sab, Record Keeper of the Saidapet Taluk Office, who holds a diploma on Agriculture, on pay Rs 50 per mensem, but it was stated in S,55-Proceedings No 3548-49 Ed F27-9 dated 13th September 1898-that as ~~Sah~~ Smith Mustan pay (including an allowance) was only Rs 20 per mensem, he might be offered Rs 30 (the maximum pay of the appointment), and that Government saw no good reason to raise the scale of pay to Rs 50 per mensem

The Inspector General now reports that Shak Mustan declines to take up the post on Rs 30, and that he is the only Mahomedan known to him or to the Principal of the Madras Agricultural College who has passed successfully through the full course of the Agricultural College

The foregoing order
having been communicated to the

No 8006-Ed F 27-96 d 9/1/99,
Mr Bhabha replies that it is not
possible to get a qualified Maho-

25 rising to Rs 30 He remarks
further that when ~~in~~ it is con-
sidered that a Brahmin teacher of
Agriculture has been engaged on
a salary of not less than 50 Rs ,
it would be a wonder if a Matri-
culate Mahomedan teacher who has
been through the complete course
of the Agricultural College lasting
for 3 years could be found to accept a
similar post or less pay

For answering a query
put by the Secretary, enquiry was
made demi-officially as to who is

Mr Bhabha's D O reply is put up
In it he says that the Brahmin
teacher in question is K Sheshadr

SIR,

I have the honour to forward herewith copy of docket No 170 dated 16 February 1897 from the Head Master of the Normal School, Mysore, and to state that the deffculty represented by the Head Master in teaching Muhammadan masters is a real one One of the teachers Mahomed Ghous Peer has been teaching some of the general subjects to the Muhammadan masters in classes V VI and VII, but the instruction given by him is not sufficient When only one teacher of general subjects knowing Hindustani was provided for the school it was hoped that the Hindustani masters selected for training would be so well

FORM C 1N MMS 101

acquainted with Kannada as to be able to receive instruction in most subjects in Kannada The experience however of the last three years has shown that even when Hindustani masters are able to talk and write a little Kannada they are not able to follow a teacher who instructs in Kannada A trained Hindustani matriculate from Madras, if the services of one can be secured, would make a very desirable addition to the staff of the Mysore Normal School Failing such a man I would appoint Abdul Basith Sheriff who has passed out of the Agricultural College, Madras and knows Agriculture and Hygiene well and has received general education upto the standard of the Pre-Matriculation Class I request that Government will be pleased to sanction a provision from Rs 25 to 30 for a Hindustani Teacher possessing the above qualifications

With reference to Government Order No 12746-7/27-2-96 dated 28th May 1897, I have the honour to inform you that the only qualified Muhammadan candidate who had applied for the post of Teacher of Agriculture and Hygiene in the Government Normal School Mysore declined the appointment when it was sanctioned, as he had secured a place in the Municipality of Bangalore on Rs 30 As he broke faith with me in a way after applying for the post, I am not inclined to recommend a higher salary for him Great difficulty has been felt for the teaching of Agriculture and Hygiene in Hindustani in the Upper Secondary Classes of the Mysore Normal School The Principal of the Agricultural College Madras who was

requested to recommend a qualified man
states in his letter No 97 of 7th February 1898
that he has been able to find only one man
Talib Ali who has been Inspecting School
Master for eight years in South Canara and
who after matriculating went through a
course of three years at the Agricultural
College Talib Ali asks for Rs 50 a month
I request that under the circumstances
Government may be pleased to sanction
a fixed pay of Rs 50 in place of the pay of
Rs 25 rising to 30 after two years approved
service sanctioned in the Order quoted above,
so as to allow of my employing Talib Ali who
will be useful in teaching other subjects also
besides Agriculture and Hygiene I enclose
for perusal and kind return the letter of
the Principal Agricultural College referred to
above bearing this office Regr No 8358 of 16th
February 1898 as well as Talib Ali's application

2 Until a qualified person can be found

Government Proceedings No $\frac{1274\text{b}-7}{\text{Ed 7 27-96}}$ of 28th May 1897
to help in the teaching of Muhammadan students

SIR,

47) With reference to Government Proceedings No 13115-16/ED 7 27-96 dated 14th April 1898, I have the honour to inform you that an advertisement for a qualified Hindustani Lecturer of Agriculture and Hygiene for the Normal School Mysore was published twice both in the Madras Mail and the Hindu. Four applications in response to the advertisements were received. Three of these were from unqualified men, and one from Sheik Imstan Sahib, Record Keeper of Sandapet Taluk office, who has obtained a diploma in Agriculture from the Sandapet Agricultural College. The pay offered by Government Rs 25 rising to

was announced in the advertisement
The appointment was given to Sheik Mastan
Sahib But he now writes to say that
the pay is too small and asks for "at least
Rs50 to start with His request is not
unreasonable." The Principal of the
Agricultural College was unable to recom-
mend any fully qualified Muhammadan
except one for whom also he recommended
a pay of Rs50 Sheik Mustan Sahib
would be a valuable acquisition to the
Normal School It would hardly be
possible to get another qualified
Muhammadan teacher of Agriculture
Under these circumstances I recommend
that the pay of the Hindustani Teacher
of Agriculture and Hygiene for the
Normal School, Mysore may be fixed
at Rs50/- a month in place of Rs25
rising to 30 as it has been fixed by

SIR

With reference to your Docket No 70/1972, dated the 13th July 1898, I have the honour to send the reply in original of Sheik Mustan Sahib bearing this office Memo No 2648/768 of 26th August 1898, and to request that for the reasons stated in my letter No 11526/378 dated Camp Arkalgud, 12 June 1898 Government may be pleased to fix the pay of the Hindusthani Teacher of Agriculture and Hygiene in the Mysore Normal School at Rs 50, in place of Rs 25 rising to 30, so that the services of Sheik Mustan Sahib

who is the only qualified candidate may be secured. In view of his technical qualifications and the sacrifice of 9 years pensionable service, a pay of Rs 50 a month seems to me reasonable

SIR,

I have the honour to inform yo that the Hindustani department of th Mysore Normal School has not a com petent staff of teachers and much of the teaching work, I regret to say, is do ne in an unsatisfactory manner The wan of a Hindustani teacher of Agriculture and Hygiene has been long felt. Afte advertising and making inquiries in two Presidencies only one Muhammada named Sheikh Mastan Sahib was fou who had obtained the diploma of the Agricultural College Saidapet, but Government were not pleased even afte repeated requests to sanction him

See Sl. No. 63 & 62(a) ex 27-46

of Rs 50 which he demanded, and therefore the work of teaching Agriculture and Hygiene has been temporarily entrusted to a local man on Rs 15 who has passed only the Upper Secondary Examination It is no wonder that he has not given satisfaction in preparing candidates for the same examination - It is not possible now to induce Shaikh Mastan Sahib to accept even Rs 50 a month as he asks that his pensionable service under the Madras Government extending over more than eight years may be taken over by the Mysore Government - Under these circumstances I request the Government may be pleased to sanction a place of Rs 30 rising to Rs 50 in Class D I for the Hindustani teacher of Agriculture, Hygiene and other subjects and that either a Muhammadan who has passed the F A Examination may be appointed on the minimum pay of Rs 30 of the class) or a Muhammadan Graduate may be appointed on the maximum pay of Rs 50 of the same class A teacher who has received University Education

will work up the special subjects entrusted to him and give satisfaction.

2. There is also in the Hindustani Department of the Normal School an Assistant Master on Rs 12. This pay was originally given as an allowance to the Munshi of the Maharajas College for teaching for an hour or two a day in the Normal School. This arrangement having been found inconvenient a full time teacher on Rs 12 was subsequently appointed. This teacher has failed to give satisfaction. It is necessary to raise the pay to Rs 20 so that a competent person may be employed.

3. The financial effect of the above proposals is as follows.

Sanctioned		Proposed
A temporary teacher of Agriculture & Hygiene	Rs 15	An F A or B A teacher in Class D I Rs 30 rising to Rs 50, the F A teacher to begin on Rs 30, the B A teacher on Rs 50
An Assistant Master on Rs 12		An Assistant Master on Rs 20

The increased expenditure proposed is absolutely necessary to obtain efficient teaching. It is requested that Government

will be good enough to sanction it
from 1st July 1900.
